SELF TIME

13NXAKACEF007 (UNIVERSAL)

Extendable aluminum alloy telescopic mount (from 22 to 72cm) with sponge grip. Perfect for selfies from a new point of view!

ALUMINIUM SELF TIME

13NXAKACEF001 (UNIVERSAL)

360° swivel, fully modular telescopic aluminium monopod. Compatible with all Nilox action-cams. The base of the handle can be unscrewed to store microSDs and/or battery recharging cables.

HANDLEBAR

13NXAKBHUN001 (UNIVERSAL)

Connecting the Nilox action cam to the handlebar of any bicycle for hands-free and on-the-move filming is really easy with the Bicycle Handlebar universal support. Made entirely of aluminium, it allows more stable filming and is easy to install and remove. Suitable for handlebar diameters up to 30mm.

PIPE CLAMP

13NXAKACPF010 (UNIVERSAL)

Adjustable holder for fixing your cam to the handlebars of your bike and suitable for any tube with diameter from 1,9cm to 3,5cm. Equipped with a hinged arm that allows you to adjust the angle.

MODULAR SELF TIME

13NXAKSMUN001 (UNIVERSAL)

Build your own self-time handle for incredible POV! With this metal mount you can adjust the length of your Nilox action cam support by adding or removing various metal pieces.

HEAD STRAP

13NXAKACPF002 (UNIVERSAL)

Elastic and adjustable head strap. Ideal for snorkeling, mountaineering and soft air.

ROTATING HEAD STRAP

13NXAKHRUN001 (UNIVERSAL)

Rotating Head Strap Mount is a comfortable head strap mount that allows you to wear your Nilox action cam comfortably on your head. Made of elastic material, it is fully adjustable and adaptable to all sizes.

VENTED HELMET STRAP

13NXAKACPF004 (UNIVERSAL)

Vented Helmet strap for biking, kayaking, canyoning and more... One size.

WRIST SUPPORT

13NXAKACEF002 (UNIVERSAL)

Wrist strap compatible with all Nilox action-cams. Perfect whether you're left or right handed. It allows you to wear your Nilox action-cam on the back of your hand. Ideal for outdoor disciplines and use underwater.

DOG HOLDER

13NXAKDHUN001 (UNIVERSAL)

A perfect sling for our four-footed friends. Fully adjustable and adaptable for medium to large dogs measuring 58 to 82cm around the chest. Thanks to Dog Holder you can mount any Nilox action-cam on your dog's back to allow it to become a "video operator".

CHEST HARNESS

13NXAKACPF003 (UNIVERSAL)

Adjustable Chest harness, ideal for shooting videos from a lower point than the head, excellent for skiing, mountain biking, motocross, canoeing and kayaking and many other outdoor activities.

FLOATING HAND GRIP

13NXAKACEF005 (UNIVERSAL)

Small plastic floating hand grip compatible with all Nilox action-cams. Ideal for taking shots at the water's edge or while snorkelling.

VIDEO STABILIZER

13NXAKACEF006 (UNIVERSAL)

Thanks to the internal counterbalance weights included, this exclusive accessory reduces vibration and stabilizes all your shots. The Video stabilizer mount allows static operation and 'absorbs' movements of the body, hand and the wrist holding it.

SUCTION CUP

13NXAKACPF007 (UNIVERSAL)

Ultra-resistant Suction Cup support for cars, boats and more. Suitable for glass and flat surfaces.*

*Not recommended for surfboards, snowboards or other high impact sports.

BOARD SUPPORT

13NXAKACPF005 (UNIVERSAL)

Revolutionary adhesive accessory to fix the action-cam to your board. Ideal for snowboarding, kite-surfing, surfing and all board sports. Compatible with all models of F-60 EVO and EVO MM93.

TRIPOD

13NXAKTRUN001 (UNIVERSAL)

Versatile, lightweight and portable: The Adjustable Tripod is a tripod support compatible with all Nilox action-cams. Perfect for all situations, it can be set up in a matter of seconds to provide a stable filming platform and guarantee optimal photos. The support has fully jointed feet so that the Tripod can be mounted anywhere.

RECHARGEABLE BATTERY

13NXAKACEV011 (F-60 EVO, EVO MM93)
13NXAKACB6011 (EVO 4K+, F-60 R., MINI WI-FI)

Rechargeable lithium battery.
Compatible with F-60 EVO, EVO MM93 (1500 mAh) and EVO 4K+, F-60 Reloaded, Mini Wi-Fi (1200 mAh).

AQUA FLOATING

13NXAKAC00012 (UNIVERSAL)

Aqua floating, the newest accessory that makes your action cam float in water. Thanks to the 3M sticky tape you can fix the float directly on the back of your waterproof case.

TRIPOD ADAPTER

13NXAKSTUN001 (UNIVERSAL)

Useful adapter that will allow you to use every Nilox Action Cam with all kinds of tripod mount. Pack content includes two adapters and three screws to best secure your Nilox Action Cam.

ACTION CAM BAG

14NXCUAKLA001 LARGE SIZE
14NXCUAKSM001 SMALL SIZE

Thanks to their extra-resistant material, Nilox Action Bags are able to protect both your action cam and your accessories against hits, dust and humidity. Compatible with every Nilox action cam. Nilox Action Bag Large may also contain medium size accessories.

SILICON CASE

13NXAKSCEV00x (F-60 EVO)
13NXAKSCF600x (F-60, F-60 MM93)
13NXAKSCMF00x (MINI F)

Brighten up your action cam with a colourful Nilox silicone camera case. Protect against scratches and improve standard battery performance.

ADHESIVE HOLDER

13NXAKKIPR001 (UNIVERSAL)
13NXAKKIEV001 (F-60 EVO, EVO MM93)
13NXAKKI00001 (F-60 R., MINI F, MINI UP)

Set of 3+3 adhesive pads for fixing the action camera on flat and curved surfaces.

CAMERA CLEANER KIT

13NXAKCN00001

The ideal accessory for keeping your Action Cam perfectly clean. Removable brush takes off all dust and sand residue. The plain surface removes grease, fingerprints and smudges.

LENS

13NXAKGLEV001 (F-60 EVO)

Nilox' Coloured Lens designed for the F-60 EVO action-cam makes the colours of your images bright and clear during video filming under water or in natural landscapes. The RED filter is perfect for filming underwater, where it absorbs the blue light of the water to give the image a more natural look. The MAGENTA filter eliminates green light, especially underwater. These filters allow the sensor on the video camera to capture a broader spectrum of light and obtain video material in brilliant colours. The YELLOW filter can be used in all black and white images to sharpen the contrast between the sky, the trees and the clouds in the image. Filters are waterproof to a depth of 45m. They can be assembled on the action cam with the adapter ring provided.

EVO WATERPROOF CASE

13NXAKCSEV001 (F-60 EVO, EVO MM93)

Waterproof case (with resistance up to 100m depth) provided with 2 interchangeable doors, your action cam can be used in water with or without LCD.

EVO SLIM CASE

13NXAKCSEV002 (F-60 EVO, EVO MM93)

Waterproof case (with resistance up to 10m depth) provided with 2 interchangeable doors, your action-cam can be used with or without LCD. Ultra light: 30% lighter than 'standard' version.

REMOTE CONTROL

13NXAKRCEV005 (F-60 EVO, EVO MM93)

By using EVO REMOTE CONTROL together with an action cam EVO you can start a video recording, take pictures, change the angle of view and set the main parameters.
